**How to Find Directives 8010.1 to 8010.5**

As a Compliance Investigator, you'll rely primarily on Directives 8010.1 to 8010.5.

To find a Directive:

1. Go to www.fsis.usda.gov.

2. Type Directives in the "Search FSIS" text box. A new screen opens.

3. Click the 8,000 series link on the new screen.

4. Find the Directive # in the list and click it to open its content.

Print this for future reference.
